## REGISTRATION

Registration Deadline is APRIL 1<sup>st</sup>. NO EXCEPTIONS. Registrations will only be accepted after the deadline if space permits and there are enough coaches.

## FEES

**“What are the fees for this league?”**

The registration fee varies for each division. Please check the flyers or online cart. (Each player receives a T-shirt and hat/visor). Some equipment will be shared equipment and will not be required for parents to purchase like helmets and bats. Gloves are a requirement as we do not have enough for each player.

## COACHES

**“Do you need more coaches?”**

Yes, we are always looking for more coaches. Coaches must attend our coaches meeting and fill out all appropriate volunteer paperwork including a criminal background check.

**“Can my child play in a different grade level than they are in at school?”**

Yes, they may play one level up ONLY. Children cannot play in a lower level. A birth certificate may be requested.

**“When will we hear who our coach is or when we practice?”**

Parents should expect to hear from a coach after our coaches meetings. If not, the League Supervisor may call asking for more volunteer coaches.

**\*\*Please plan on attending skills testing if your child is in the 9-13 age divisions. This is to ensure better talent placement on teams when drafting.**

## PRACTICES

**“When do practices start?”**

Practices start the end of April. Three to four practices are guaranteed before games start in May.

**“What time are practices?”**

Practices can range anywhere from 5:00-8:30pm. Younger children typically practice earlier. Additional practice times may become available after games start. Your coach will communicate any practice changes with you.

**“Where are practices held?”**

Practices are held at City Park at one of the 10 baseball/softball fields.

## **GAMES**

**“When do games begin?”**

The first league games will begin around the end of May.

**“How long does the season last?”**

The teams will each get 8 games. Age divisions 9 and up may have an end of the year, single elimination tournament that will be announced at a later date. We will try to end games/makeup games by the first week of August.

## **GENERAL**

**“When do we get our T-shirts and where do we pick them up?”**

The T-shirts will be handed out ONLY to coaches. Coaches will be contacted by Parks and Recreation staff when they are available to be picked up.

## **AWARDS**

We provide participation medals to Tball and Machine/coach pitch players. Medals for 9 and up are given to either the league champions or the tournament champions.
